## Aluton / Continuous Geared Hinges

### Price List

Reg.No. 2000/045096/23

VAT No. 4790111464

**Product Code: PMW-2.1-S-5-19**

**Product Description:** 2.1m long - standard rating - 5mm mounting holes - 19 holes per blade

|   | Product Colour Code and Finish     | Price (Excl. VAT) |
|---|------------------------------------|-------------------|
| <b>PMW-2.1-S-5-19</b><br>White Bearings or Blocks | <b>N</b> - Natural Anodised Finish | R 988.00          |
|   | <b>M</b> - Natural Mill Finish     | R 988.00          |
|   | <b>BL</b> - Black Anodised Finish  | R 1,144.00        |
|   | <b>BR</b> - Bronze Anodised Finish | R 1,144.00        |
|   | <b>PC</b> - Powder Coated Finish   | R 1,180.00        |

*\* Prices are subject to change. VAT at 15%.*

#### **Notes:**

- When placing an order, please use the exact product code; for example: PMW-2.1-S-5-19-N (2.1m long - standard rating - 5mm mounting holes - 19 holes per blade - natural anodised finish).
  - Mounting holes are available in 7mm sizing and or 27 holes per blade, upon request.
  - All coloured hinges, i.e.: BL (black anodised finish), BR (bronze anodised finish) and PC (powder coated finish), have an extended lead-time for production. Additional anodised colours are available on request.
  - All PC (powder coated finish) hinges are only coloured on the hinge back section (the visible part) and not on the blades or leaves.
  - Delivery costs are for your own expense.
